Taking Teaching Further

Luminate Education Group is taking part in Taking Teaching Further 2023, an initiative funded by the Department for Education to attract industry professionals into teaching in further education.

About the role

This is a fantastic opportunity for an experienced industry professional to make the move into teaching in further education. You will be instrumental in teaching and sharing your knowledge to students 16+ who are training and studying for their chosen career path.

We are looking for individuals who have current or recent experience of working in the following areas:

- Construction and the built environment (Electrical Installation, Joinery and Brickwork)
- Engineering and manufacturing
- Digital
- Maths

What to expect

You will be fully supported in your role, learning on the job whilst also being given paid time to study for your Level 5 teaching qualification (fully funded).

This is a two-year training contract, however if you successfully complete your teaching qualification, a permanent role will be offered on completion.

Benefits

- £20,449 Apprenticeship Teacher Salary plus £3,000 TTF government incentive payment per annum
- Paid time off to study
- Generous 27 days annual leave (plus bank holidays and up to 5 discretionary closure days at Christmas (pro rata for part time staff).
- Generous Pension Scheme (Local Government Pension Scheme)
- CPD and Learning and Development opportunities throughout the year

Entry Requirements

- New to teaching and not already hold any teaching qualifications.
- To have, or be willing to work towards, a Level 2 qualification in English and maths.
- For technical subjects, a Level 3 qualification (or higher) in a relevant field is desirable.
- For technical subjects, industry experience is desirable.

How to Apply

Submit a copy of your CV online via our careers website -
